# FLA Mission

1. To pursue the broad objectives of FIATA in **positioning** training, development, and research in freight logistics as amongst the top priorities of FIATA's deliverables;
2. To work towards **attracting and assembling** best practices, applications and training programs available in vocational training in the freight logistics industry;
3. To thrive towards **upgrading** the FLA and ABVT current training modules with respect to modernisation of classroom, online and digital applications.

## **Working Group FIATA Logistics Academy Members**

Issa Baluch, Chairman

Francesco Parisi, FIATA President

Marco Sorgetti, Director General

Stanley Lim, Immediate Past President

Thomas Sim, ABVT Chairman

Ivan Liptuga, ABVT Deputy Chairman

# Invitation

**Please contribute ideas or suggestions to FLA.**

Send a **one pager** describing current status of your:

- training programs,
- methodology,
- number of students and
- plans for digitization. If already digitized and on-line, please include details.

**Email:** [ibaluch@post.harvard.edu](mailto:ibaluch@post.harvard.edu), [ibaluchtl@att.net](mailto:ibaluchtl@att.net)

and [schaer@fiata.com](mailto:schaer@fiata.com)

**Thank you!!!**
